Fice Memorandum • UNITED STATES GOVERNMENT TO : Chief, PPS DATE: 7 November 1956 FROM : Chief, LAS SUBJECT: Weekly Activities Report SIGNIFICANT ITEM None to report. OTHER ACTIVITIES New equipment for the Quarters Eye Language Laboratory for fulltime students is scheduled to arrive this week. This will permit expansion from the present six positions to sixteen positions. The laboratory is now used exclusively by full-time students. It will also be used by students in three addresses scheduled to begin during the fall. Operation, maintenance and security of equipment will be a problem until the DD/S approves our request for an additional technician position. At present, alone is supervising both labs, repairing and maintaining, performing installations, instructing students in use of equipment, assisting instructors in production of recordings, duplicating tapes, and assisting in projection of movies for area courses. Until an additional technician is on duty, it will be impossible to provide satisfactory lab service and necessary support of current language training activities, maintenance and physical security of the equipment. 2. One student has been transferred from intensive intensive following a 3-week trial. On insistence of supervisors and contrary to opinion of the Qualifications Review Panel, the student was placed in full-time training on trial. At the end of the period, the same supervisors, the three instructors and conferred on performance and unitedly decided on the change. It is believed that these supervisors in future will more fully recognize the service provided them and their prospecis temporarily assigned to the School, and is doing

a study of post-training activities of all persons who have received intensive training in under Agency auspices. This is part of a larger study of all former intensive trainees, to be performed piece-meal as we are able.

4. The School is beginning a study to identify and evaluate all academic and quasi-academic, government, private, business and church intensive language training programs abroad. The School will welcome information from anyone who has personal knowledge or experience with any such programs.

25 YEAR RE-REVIEW
